

*Primo*

The word "Primo" is written in a dark brown, elegant cursive script. The letter 'P' is large and features a prominent loop that extends upwards and to the left. The remaining letters 'r', 'i', 'm', 'o' are smaller and more compact, following a fluid, connected cursive style. The word is centered within a yellow oval frame. This frame is composed of two parallel, slightly irregular yellow lines that create a sense of motion and depth, with the lines tapering at the top and bottom points.
